On/Off Button Yes

Features

- **Dual Functionality:** Functions as both a steam iron and a dry iron.
- **Portability:** Compact, lightweight, and ergonomic design, making it suitable for travel and home use.
- **Versatile Use:** Safe for use on a wide range of fabrics, including cotton, silk, linen, wool, and polyester.
- **Convenience:** Features a special connector for different water bottles, enhancing portability and ease of use when traveling.
- **Hygiene:** Hot steam helps to kill bacteria and remove odors from fabrics.
