

DSP Handheld Garment Steamer (KD1079)

Here is the technical datasheet for the **DSP Handheld Garment Steamer (KD1079)**, compiled from available product information:

DSP Handheld Garment Steamer (KD1079) Datasheet

Specification	Detail	Source
Model Number	KD1079	
Type	Handheld Garment Steamer (Without Base)	
Power Consumption	1400 W	
Input Voltage	220-240V	
Frequency	50/60 Hz	
Water Tank Capacity	220 ml (detachable)	
Steam Rate	15–20 g/min	
Heating Plate/Base Material	Stainless Steel	
Body Material	Plastic	
Item Weight	1 Kilogram (approx. 850g)	

Dimensions Approx. 11.5 x 13 x 28 cm

Cord Length Approx. **170 cm**

Color Options Multicolor (Blue, Pink, etc.)

Safety Features Overheat protection system

Indicator Lights Power ON/OFF indicator light

Control Ways Switch Button

Country of Origin China
