

Sanford Multi Functional Table Fan (SF662MFN)

Here is the technical datasheet for the **Sanford Multi Functional Table Fan (SF662MFN)**, compiled from information provided by various retailers and the manufacturer.

Attribute	Specification
Model Number	SF662MFN
Product Type	Multi-functional table fan with LED lights
Fan Size	7 inches
Motor Speed	4500 RPM
Power Output	10 Watts
Speed Settings	3 speeds (Low-1, Low-2, High)
Battery Type	Removable lithium battery (3.7V)
Battery Capacity	3600mAh
Max Fan Runtime	Up to 15 hours (Low Speed)
LED Lights	6 bright LEDs
Max LED Runtime	Up to 32 hours

Charging Type Type-C USB

Charging Time Approximately 6 hours

Body Material Durable ABS plastic

Dimensions 7.5D x 22W x 31H centimeters

Weight 0.75 Kg

Safety Features Overcharge protection

Control Single-button operation
