

# DAHUA 4MP ANALOG BULLET IR CAMERA

DH-HAC-HFW1400DP

|                        |                                                                 |
|------------------------|-----------------------------------------------------------------|
| Product Type           | Professional Surveillance / Infrastructure                      |
| Resolution / Capacity  | 4MP (2560 × 1440)                                               |
| Port Count / Interface | Standard I/O Connectors                                         |
| Category               | Safety & Security Solutions                                     |
| Mounting               | Universal Bracket / Wall / Rack Mount                           |
| Rack Height            | Varies by Model                                                 |
| Termination Type       | Modular Design                                                  |
| Wiring Standard        | International Codes Compliance                                  |
| Contact Material       | Industrial-Grade finish                                         |
| Panel Material         | High-Strength Alloy / Polymer                                   |
| Color                  | Professional White / Black                                      |
| Cable Management       | Advanced Routing Access                                         |
| Labeling               | Laser/Serial Identification                                     |
| Performance            | 3.6mm Lens, 80m IR Range, IP67 Waterproof, Metal Housing, HDCVI |
| Operating Temperature  | -30°C to +60°C                                                  |
| Storage Temperature    | -40°C to +70°C                                                  |
| Humidity               | Up to 95% RH                                                    |
| Application            | Commercial, Residential, Industrial                             |
| Compliance             | CE, FCC, RoHS, IP-Rated Gear                                    |

## IT&E ELECTRIC

IT&E Electric is a Ghana-based electrical company delivering safe, reliable, and professional electrical services for residential, commercial, and industrial needs.

**Branches:** Spintex – Spintex Road (near Shell Station), Dzorwulu – Opposite Charity Baptist Church, East Legon – Opposite UPSA, Kasoa – Kasoa.
